ALABAMA PRESIDENT DR. STUART R. BELL

Dr. Stuart R. Bell is entering his second year as president of The University of Alabama. Founded in 1831, the University is the state's flagship and a student-centered, comprehensive research university.

Dr. Bell has broad administrative experience and is a 30-year veteran of higher education. He previously served at UA for 16 years where he founded and directed an interdisciplinary research center.

"Our students continue to excel and represent the Capstone in the classroom, as well as in the laboratory, on the stage and on the field in ways that make us proud," Bell said near the end of the spring 2016 semester. "This is certainly an exciting time to be here at The University of Alabama."

Immediately prior to becoming UA's president, Dr. Bell was executive vice president and provost at Louisiana State University. During Dr. Bell's tenure there and earlier at the University of Kansas where he served as dean of its College of Engineering, those institutions opened new facilities, and student recruitment, retention and success were emphasized.

First joining UA in 1986 as an assistant professor in the UA College of Engineering's department of mechanical engineering, Dr. Bell was named department head nine years later.

With research interest in combustion engines, Dr. Bell has expertise in alternative fuels for engines, innovative engine designs and modeling of engine and engine processes. He directed UA's Center for Advanced Vehicle Technologies.

Dr. Bell was awarded the Society of Automotive Engineers' Ralph Teetor Award for Outstanding Contributions to Research and Teaching in 1988. He was presented the T. Morris Hackney Faculty Leadership Award for the UA College of Engineering in 2001, and, in 2005, he received the Richard S. Woodbury Award from the American Society of Mechanical Engineers.

An Abilene, Texas, native, Dr. Bell earned a nuclear engineering degree from Texas A&M University in 1979. He earned his master's and doctorate degrees in mechanical engineering from Texas A&M in 1981 and 1986, respectively.

He and his wife, Susan, have three adult children, Stuart, Stacy and Stephen, and one granddaughter.

ON YOUR CAMPUS...

- Enrollment at The University of Alabama reached a record high of 37,655 for fall 2016. This year's freshman class represents the most academically talented in the school's 185-year history. More than 40 percent of UA's 7,559-member class scored 30 or higher on the ACT. More than 31 percent of the freshman class had a high school grade point average of 4.0 or higher.
- The University of Alabama is a leader among public universities nationwide in the enrollment of National Merit Scholars with more than 600 currently enrolled.
- Ranked among the top 50 public universities in the nation in U.S. News and World Report's annual college rankings for more than a decade, UA ranked 43rd among public universities in the 2016 rankings. UA's latest college rankings include:
 - The School of Law is ranked 28th among all law schools in the nation (10th among public universities), spring 2016.
 - The School of Library and Information Studies is ranked 18th nationally in the latest rankings for library schools, spring 2013.
- University of Alabama students continue to win prestigious national awards. Forty-seven UA students have been named Goldwater Scholars, including two in 2016. The University of Alabama has produced a total of 15 Rhodes Scholars, 16 Truman Scholars, 32 Hollings Scholars and six Boren Scholars.
- Thirty UA faculty have received NSF CAREER Awards, the nation's most prestigious recognition of top-performing young scientists, in disciplines ranging from nanoscience and engineering to biological sciences.
- Dr. Samantha Hansen, UA assistant professor of geological sciences, is one of many faculty recognized nationally for research. Hansen is one of 102 scientists who received the 2014 Presidential Early Career Award for Scientists and Engineers, the highest honor bestowed by the U.S. government on science and engineering professionals in the early stages of their independent research careers.
- Seven University of Alabama graduates have accepted Fulbright awards to study and teach abroad during 2016-2017.
- U.S. News and World Report ranks The University of Alabama's Manderson Online Business Master's programs 12th in the nation, up from 75th the previous year. The rankings are based on level of accreditation, faculty credentials, admissions selectivity, reputation for excellence among peer institutions and academic and career support services offered to students.
- Public Accounting Report's 2014 rankings place UA's Culverhouse School of Accountancy's undergraduate and master's programs eighth in the nation and the doctoral program 12th.
- PRWeek Magazine has recognized the public relations program in The University of Alabama's College of Communication and Information Sciences as one of the top five programs in the nation six times.

INTRODUCTION

From the architecture to the landscaping, The University of Alabama campus is one of the most beautiful places in the state of Alabama. With more than 200 academic majors, outstanding honors programs and a championship athletic tradition, UA offers a complete educational, cultural and social experience. Our undergraduate, graduate and professional programs give students the opportunity to interact with nationally ranked faculty and our distance learning programs offer learning that fits your life.

Life on the UA campus is defined by opportunities. Students who want to get involved can join one of more than 500 student organizations, help plan concerts and speaker series, volunteer in the community, participate in intramural teams or run for student government.

Students, faculty, staff and visitors can take advantage of a rich and varied schedule of musical, dance and theatre performances, art galleries and exhibitions, lectures and readings by writers, poets and experts on every topic imaginable. UA's fine museums house countless historical artifacts and offer hands-on exploration opportunities.

The Ferguson Center, UA's student union, was renovated and expanded in 2014, providing more space for student activities and a larger food court and Supply Store. The new Fresh Food Company as well as Lakeside and Burke dining halls offer a wide variety of food service options.

The Student Recreation Center offers first-class recreation facilities to students, faculty and staff. It includes two multi-use gyms, nine multi-purpose courts, weight machines, 1/8-mile jogging track, extensive cardio area, locker rooms, indoor swimming pool, dry and steam saunas, 12 lighted tennis courts, four aerobics rooms, eight racquetball courts and a squash court—together encompassing more than 200,000 square feet. The facility's outdoor aquatic area features a lazy river, lap swim, large water-park-type slide and lots of deck space. An additional recreation and student center is conveniently located for residential students between the Presidential 1 and II residence halls.

Whatever your interests, you will find a group, an organization, an activity or a program that will appeal to you at UA.

GREG BYRNE

DIRECTOR OF ATHLETICS

One of the most acclaimed and respected administrators in collegiate athletics, Greg Byrne was formally introduced as The University of Alabama's Director of Athletics on January 19, 2017, and officially began his tenure leading the department on March 1.

Byrne's role at Alabama is his third venture at the helm of a major collegiate athletics program. Prior to coming to Alabama, Byrne was Vice President for Athletics at the University of Arizona from 2010-17 and was Director of Athletics at Mississippi State University from 2008-10. With more than 20 years of experience as an athletics administrator, Byrne has fashioned an impressive administrative career hallmarked by consistent success in fundraising, innovative strategies and competitive success with a strong emphasis on academic excellence.

Throughout his career, Byrne has been consistently more impactful and successful with each step up the administrative ladder. As a fundraiser, he has been directly involved in raising more than \$200 million in gifts during his career. As a leader of competitive athletics programs, he has fostered major improvements across the spectrum of sports at both programs he has led. A proponent of developing student-athletes into productive people after college, Byrne has led programs that have attained academic success at levels not reached prior to his tenure.

He also has deep experience working in the Southeastern Conference (SEC), having spent 2002 to 2005 at the University of Kentucky as Associate Athletics Director for Development and Fundraising before a four-year stint at Mississippi State (2006-10). From 2006-08, Byrne served as Associate Athletics Director for External Affairs at MSU before becoming Director of Athletics.

Under Byrne's leadership, Arizona Athletics underwent more than \$140 million in construction and renovation of athletics facilities. That work was highlighted by the \$72 million Lowell-Stevens Football Facility, the addition of two video boards in Arizona Stadium (football), and a new scoreboard in the McKale Center (basketball). Additionally, Byrne oversaw a \$30 million renovation of the McKale Center, a project that included upgraded locker rooms, seating, restrooms, concessions, enhanced lighting and a new playing floor.

At Mississippi State, where he was the

youngest athletics director in the SEC and the youngest to lead an athletic program at the NCAA Division I-A level, Byrne oversaw the hiring of head football coach Dan Mullen and former head baseball coach and current Director of Athletics John Cohen.

As the son of veteran athletics administrator Bill Byrne, one of the nation's most prominent college sports administrators with 30 years of experience as an Athletics Director, Greg Byrne has been around the enterprise of running successful athletic programs for most of his life.

A native of Pocatello, Idaho, Byrne earned his bachelor's degree from Arizona State University in 1994 and his master's degree from Mississippi State University in 2009. Byrne is married to the former Regina Misa of Junction City, Ore., and the couple has two sons, Nick and Davis.

SAM BAILEY TRACK AND FIELD COMPLEX

When it came time to renovate the University of Alabama's Sam Bailey Track and Field Complex, which first opened in 1975, Crimson Tide head coach Dan Waters had one directive for everyone involved in the project and that was to create a world class facility that would be comparable to the nation's best. Mission accomplished.

The Tide's home facility was rebuilt in 2012 from the ground up, utilizing every inch of the facility to give Alabama track and field athletes everything they need to be successful at the highest level.

"It's a beautiful facility that is also highly functional," Waters said. "We took every inch of that space that we could and used it to the very best of our ability. I think the facility and everything that has gone into it makes a very definite statement that at The University of Alabama, we take our track and field very seriously."

The design and layout ensures that the Sam Bailey Track & Field complex is one of the premier facilities in the nation.

"From the beginning coach Dan Waters' vision for the improvements was to give Alabama a facility that allowed them to compete and train at the highest level, both within the SEC and nationally," Jim Hartsell from Davis Architects said. "I don't think there is any doubt that's what we've accomplished."

The nine-lane track has a state of the art Beynon BSS -2000 track surface, which allows for a faster and more durable surface for both competition and training.

"When you're talking about hundredths or thousandths of a second, the fact that we can train on this kind of surface means so much to our athletes," Waters said. "It's fast, but not so hard that you're going to risk injuries. We also widened the track, which lessens the centrifugal forces and makes it much faster."

The redesigned track gives Tide athletes a training and competition facility that is nearly identical to what they will see when they get to the championship season.

"This facility allows us to train every day in a championship calibre facility," Waters said. "Wherever we go during the championship

season, our athletes have the confidence of knowing that their bodies are fine tuned to compete on just that kind of track, with the same surface and radius."

The shot put throw area was relocated and redesigned at the west end of the track, outside of the oval, combining the landing pits to provide a more functional and efficient throws area.

The infield was replaced with a new Tifway 419 hybrid Bermuda grass infield and provides the landing areas for the javelin, hammer throw and discus.

The cages for the throw events have been strategically placed within both "D zone areas" to allow for better meet management.

Timing locations have been added throughout the track area to allow for the use of the most current event timing techniques.

The redesign also relocated and reconfigured the jumps area to make both training and competition more efficient. There are now two long jump runways, two pole vault runways, and two high jump aprons.

During the renovations, permanent lights were installed, giving the Crimson Tide far more flexibility when it comes to training and competition.

"With the way everything is configured now and with addition of the lights, we can run an efficient and fan-friendly meet," Waters said. "We can run a meet in four hours now instead of it being an all-day grind like it could be in the past."

In addition to the track renovations, the grandstand was upgraded with new seating and a complete renovation and expansion of the press box. The concession areas, restrooms and storage facilities were renovated and updated to better serve the needs of both the team and its fans.

A new entry plaza was also incorporated into the facility with displays to commemorate the history of Alabama track athletes, both in collegiate and Olympic competition. There is also a permanent awards area, created out of the same material as the track itself.

COACHES AND STAFF

DAN
WATERS

Head Coach

SIXTH SEASON

In his sixth season at the helm of The University of Alabama track and field and cross country program, head coach Dan Waters has made an undeniable impact on the Crimson Tide. Waters has unified and transformed the program and made it one of the nation's most improved overall teams.

Since taking over the program in June of 2011, Waters has completely remade the Alabama program. A multi-million dollar facelift of the Sam Bailey Track Stadium dramatically changed the functionality and capabilities of the facility. Those improvements are an outward reflection of the overhaul that has occurred within the team. In five years with Waters as head coach of the Crimson Tide, Alabama has developed into a complete program featuring top student-athletes in all disciplines.

Alabama recorded its best finishes under Waters at the SEC Outdoor Track & Field Championships in 2016 as the women finished sixth and the men finished third at the meet, which was held at the Sam Bailey Track & Field Complex.

Waters led the Crimson Tide to its highest NCAA indoor and outdoor track & field team finishes in the past 30 years in 2014. The Alabama men's team posted consecutive top-20 finishes at the NCAA Outdoor Championships in 2013 and 2014, with the women's team posting its highest team finishes in 20 years at the 2014 NCAA indoor and outdoor championships.

Nine members of the men's team and eight from the women's squad earned All-America honors by the U.S. Track & Field and Cross Country Coaches Association (USTFCCCA) for their performances during the 2015 outdoor season.

Perhaps the finest honor in the Waters era was earned when the men's track & field squad was named the 2014 Indoor Scholar Team of the Year by the U.S. Track & Field and Cross Country Coaches Association (USTFCCCA).

As the highest-placing team with at least a 3.00 cumulative team grade point average at the 2014 NCAA Division I Indoor Championships, Alabama stood out among 116 men's programs that combined academic

and athletic achievement to earn All-Academic Team honors.

The Crimson Tide was the highest-finishing men's team at the NCAA Indoor Championships to earn All-Academic Team honors that year, finishing sixth overall with a 3.14 cumulative team GPA. It marked the first time the Crimson Tide men have earned Scholar Team of the Year honors. The Tide men also finished 15th at the NCAA Outdoor Championships.

The Tide women produced a breakout year on the track and in the classroom in 2015, posting a 3.48 cumulative team grade point average to earn All-Academic Team status from the USTFCCCA. They were also the only team in the country to finish the year with a grade point average better than a 3.40 while also finishing in the top 20 at both the NCAA Indoor and Outdoor Championships.

In 2013, the Crimson Tide cross country team produced its highest finish in the women's NCAA South Region Championships since 1987, a third-place finish largely on the efforts of all-Region performers Katelyn Greenleaf and Meropi Panagiotou. That outing was repeated in 2014, as the women took third at both the NCAA South Region and SEC Championships, with Greenleaf once again earning all-Region honors, along with Hannah Waggoner. In 2015, Alabama continued its top five finish streak at both meets as the women finished fourth in the SEC and third at the South Regional.

The Crimson Tide men have continued to progress, posting competitive finishes at the SEC and region meets while building a more experienced and veteran roster. In 2015, junior Antibahs Kosgei won both the SEC and South Region championships on his way to an appearance at the NCAA meet. For his efforts, Kosgei was named the 2015 SEC Cross Country Runner of the Year and 2015 South Region Athlete of the Year.

In 2016, the Tide cross country teams recorded top-six finishes at the SEC Championships as the men placed fifth at the women finished sixth. Individually, Robbie Farnham-Rose (third) and Kosgei (sixth) earned All-Region honors and qualified for the NCAA Cross Country Championships.

Waters was named the head track & field and cross country coach at Alabama on May 11, 2011, after seven extremely successful seasons as an assistant at Texas A&M. He immediately embarked on hiring an all-star staff of assistant coaches who remain on staff today: throws coach Doug Reynolds, sprints/hurdles coach distance coach Adam Tribble and jumps coach Miguel Pate. During their first season at the Capstone, this core staff of assistants successfully merged the men's and women's teams into a single, unified program that helped forge a new team environment and identity for the Crimson Tide. The majority of Waters' staff has remained in place during this program overhaul. In 2015, coaches Dion Miller (short sprints) and Blaine Wiley (long sprints) joined the staff to oversee the sprint squad.

Changing the culture brought renewed energy and excitement to the program and results followed on the track with three Alabama competitors earning All-America honors during

- Coached the 2000 WAC cross country women's team champions at TCU (the first conference title in program history)
- Member of the 1996 Texas staff for the team that won the Southwest Conference Outdoor Track and Field Championships

the indoor season, including Krystle Schade finishing as the runner-up in the women's high jump. In the outdoor season, the Tide sent five student-athletes to the NCAA Championships with four coming home as All-Americans and Alexis Paine setting a school record in the pole vault (13-5 1/4).

In 2013, the track and field season saw marked improvement for the Tide as the men's team finished 11th in the team standings at the NCAA Outdoor Championships, the program's highest team finish in 11 years. Alabama's sixth-place finish in the men's team standings at the 2013 SEC Outdoor Championships was the best by a Tide team since 2006. First-year Crimson Tide athletes scored 45 of Alabama's 52 men's team points at that 2013 SEC Outdoor event. Off the track, Alabama's 2013 recruiting class was ranked No. 3 nationally by *Track & Field News* magazine.

Alabama produced nine All-Americans in the 2013 outdoor season, after qualifying 18 athletes for the NCAA Outdoor Championships. Sprinter Diondre Batson led the way by finishing fourth in the men's 100-meter dash and running a leg on the Tide's second-place 4x100-meter relay unit that shattered the school record. Other standouts included Paine's fourth-place finish in the women's pole vault, Imani Brown's sixth-place in the men's triple jump and Kamal Fuller taking sixth in the men's long jump.

While serving as recruiting coordinator and distance coach at Texas A&M under the tutelage of legendary A&M head coach Pat Henry, Waters was a key contributor to a coaching staff that led the Aggies to unprecedented success on the national scene. The Aggies won six NCAA national championships, including back-to-back-to-back men's and women's outdoor titles, the first program to accomplish that feat.

The Aggie women won eight consecutive Big 12 titles (four indoor, four outdoor) in a four-year span. One of the nation's top distance coaches, Waters also served as the recruiting coordinator at A&M and assisted the process of upgrading the program's talent level to be consistently competitive on the national level. His recruiting and coaching efforts were vital to the men and women each winning three consecutive NCAA Outdoor Championships in 2009, 2010 and 2011 – becoming the second school to achieve the NCAA Championship double-double (LSU 1989-90) and the first to have both programs win three in a row.

Recruiting classes coordinated by Waters at A&M earned No. 1 rankings by *Track & Field News*. The 2009 men's and women's recruiting classes were chosen the top recruiting classes in the nation by the monthly magazine, with A&M becoming the second school to earn that acclaim in the 15-year history of *Track & Field News* ranking collegiate classes. The Aggie women also enjoyed a three-year run as the No. 1 class, from 2007-09, becoming the first women's program to achieve that distinction.

Known for his strong administrative and organizational skills, Waters directed event management at several championship events at A&M, including the 2009 and 2011 NCAA Indoor Championships, 2009 Big 12 Indoor

Championships, and 2003 SEC Cross Country Championships. Waters and former A&M assistant coach Brian Bancroft developed a national reputation for organizing and managing remarkably efficient meets during Waters' time in College Station, as A&M became a destination for nationally elite programs to compete.

In cross country, Waters earned the South Central Region Men's Coach of the Year honor in 2008 when A&M won the team title during the regional meet and qualified for the NCAAAs. It was the first time in 18 years that a team defeated powerhouse Arkansas for the region title. Waters also has qualified 18 individuals for the NCAA Cross Country Championships over the past 17 years. The regional team title the Aggie men claimed in 2008 was the school's first since 2003 and only the sixth overall. It also marked the first time that a distance coach on Henry's staff had qualified a cross country team for the NCAAAs.

Waters came to A&M in August 2004, after serving a three-year stint overseeing the distance program at the University of Georgia and an earlier five years at TCU in a similar capacity.

During his stay in Athens, Ga., Waters led the Bulldogs men's team to the program's first appearance in the NCAA Cross Country Championship, as well as a team victory at the NCAA South Regional Championships. At the conference level, the Georgia men placed second (highest in school history), while the

women's team matched its highest finish with an SEC runner-up effort. On the track, his distance runners broke seven school records.

At TCU, Waters helped the Horned Frogs win four Western Athletic Conference team championships – two in indoor track and field, one in outdoor track and field and one in cross country. The 2000 WAC cross country and indoor track crowns were the first team conference titles in TCU history. During his stay in Fort Worth, the Horned Frogs notched four top-four NCAA team finishes and TCU was ranked No. 1 nationally by *Trackwire.com* in 2001. Athletes at TCU during Waters' tenure included Khadevis Robinson, who won the 1998 NCAA 800 meter crown. Robinson is a two-time U.S. Champion who competed in the 800 at the 2004 and 2012 Olympic Games.

Waters began his coaching career as a volunteer assistant coach at the University of Texas from 1995-96.

He earned his bachelor's degree in secondary education from the University of Kansas in 1995. A standout runner for the Jayhawks, he was the 1992 Big Eight champion in the 800 meters and ran a leg on KU's 1992 All-America indoor 3,200-meter relay. He was elected the Jayhawks' team captain in 1993 and 1995, and was named a CoSIDA Academic All-American in 1995.

Waters is married to the former Jennifer Miller. They have two children, Alexis and Charlie.

**DION
MILLER**

Assistant Coach

Short Sprints

SECOND SEASON

Dion Miller, a 16-year coaching veteran of collegiate track & field, is in his second season as an assistant coach on The University of Alabama track & field staff. Miller, an eight-time Regional Assistant Coach of the Year, coaches the short sprints for the Crimson Tide (the men's & women's 100 meters, 200, 100-meter hurdles, 110-meter hurdles and relays).

Miller has produced numerous champion athletes over the course of a collegiate career that has featured two stops at Texas Tech (2001-02 and 2008-15), along with stints as an assistant coach at Washington (2002-04) and Arizona State (2004-07).

The 2015 NCAA Division I Indoor Track & Field Mountain Region Women's Assistant Coach of the Year, Miller is one of the top sprints and hurdles coach in the country. Miller has coached several athletes to Olympic Games and World Championships success: 2014 world and USATF indoor 60-meter hurdles champion Omo Osaghae (who also is a three-time USATF indoor 60-meter hurdles champion); 2012 world indoor 4x400-meter relay champion Gil Roberts (who also won the 2012 USATF indoor 400 title); hurdlers Shane Brathwaite (Barbados) and Jamele Mason (Puerto Rico) at the 2012 Olympics; 4x400 relay silver medalist Andrae Williams (Bahamas) at the 2008 Olympics; and 2008 World indoor champion 4x400-meter gold medalist Greg Nixon (United States).

At Texas Tech, Miller coached athletes who earned 119 All-America citations, set 20 school records, won a dozen Big 12 individual titles, and two USATF individual event titles, in addition to producing four national champions and two Olympic medalists. Over his last two years at Texas Tech, Miller's sprinters and hurdlers earned 21 All-America honors between the indoor and outdoor seasons, led by the development of sprinter Cierra White, who achieved All-America status in both the indoor and outdoor seasons, along with winning three gold medals at the 2014 Under-23 NACAC Championships.

Texas Tech emerged as one of the top hurdle programs in the nation under Miller's guidance, producing 23 All-Americans in the hurdles events since 2005, third among all NCAA

programs. From 2007-14, Miller coached at least one First Team All-American in the hurdles in eight consecutive seasons, a streak that included Osaghae (currently running as a post-collegiate athlete for adidas), Shane Brathwaite (a 2012 Barbados Olympian), Jamele Mason (a 2012 Puerto Rico Olympian), Bryce Brown and La Tristan Pledger (the 2014 NACAC 100-meter hurdles champion). For his work, Miller has earned eight NCAA Division I regional assistant coach of the year honors over the course of his career, all at Texas Tech.

As an assistant coach for the Arizona State women's track & field team from 2004-07, Miller helped build the Sun Devils into a Pac-10 Conference power. While at ASU, he helped head coach Greg Kraft lead the ASU women to several team championships, including ASU's first Pac-10 team title in the history of the program in 2007 as well as the 2007 women's NCAA Indoor and Outdoor team championships. Miller worked with Jacquelyn Johnson at ASU, who picked up four multi-event NCAA titles and All-America honors. Miller also developed four other student-athletes to All-America honors, headlined by sprinter/hurdler LaTosha Wallace.

Prior to his time at Arizona State, Miller served three seasons (2002-04) as the sprints coach at the University of Washington, guiding the Huskies' women's 4x400-meter relay to its first NCAA championship appearance since 1998.

Miller earned a bachelor's degree in exercise and sport science from Texas Tech in 1998. As a student-athlete, Miller earned All-America honors as a sprinter on the track, achieving 13 all-conference honors for the Red Raiders while qualifying for the NCAA Championships eight times overall. Miller also qualified for the 1996 U.S. Olympic Track & Field Trials in both the 100 and 200 meters. Miller and his wife, Carol, are the parents of three children: Alandrea, Kameron, and Dionna.

Former University of Alabama All-American and long jump national champion Miguel Pate is in his sixth season as an assistant coach at the Capstone in 2016. Pate serves as the jumps coach while also assisting with various other areas of the program.

Pate has been instrumental in Quanesha Burks' development in the long jump, leading to her winning efforts at the 2015 NCAA Outdoor Championships in Eugene, Ore. and the 2016 NCAA Indoor Championships in Birmingham as well as being one of 10 semifinalist for the Bowerman Trophy as a sophomore. Burks' outdoor title capped an unbeaten outdoor season in 2015, as she also claimed the long jump title at the SEC Championships. Burks also set a new school record several times during the outdoor season, the last coming at the 2015 North American, Central American and Caribbean (NACAC) Senior Championships in San Jose, Costa Rica, where she jumped 22-9 (6.93m) to claim gold.

As a junior in 2016, Burks captured the SEC and NCAA indoor long jump titles and repeated at the SEC outdoor champion in the event and was the runner-up at the NCAA outdoor meet. She will enter her senior season holding the 10 best long jump marks in Alabama history and nine of the 10 best all-time indoors.

In 2014, Pate coached Burks to second-team All-America honors in the long jump, as well a second place finish in the women's long jump at the United States Junior National Championships.

Pate helped Alabama sprinters make an impact on the SEC and national levels in 2013. Led by SEC outdoor 100-meter champion Diondre Batson, the Alabama sprint corps announced the Tide's return to national prominence by keying a run to an 11th-place team finish at the NCAA Outdoor Championships. At that meet, Alabama's 4x100-meter relay crew of Batson, Alex Sanders, Hakeem Haynes and Dushane Farrier posted the two fastest relay performances in Alabama history. In the semi-finals, the quartet broke a 23-year-old record with a time of 38.78. Three days later, the foursome came within a whisker of winning the NCAA title in the event, finishing

second in the relay in another school-record time of 38.54.

Both the men's and women's squads build on their success from 2013 as they moved into the 2014 season. Batson captured the 200-meter title at the NCAA indoor meet in a time of 20:32, while simultaneously breaking the Alabama school record. Batson returned to the track the next day to take third in the 60-meter race. Throughout the 2014 indoor season, Batson posted five of the 10 best times in Alabama history, as well as four of the top 10 best 60-meter times.

Remona Burchell set the standard for the women's squad winning the 60-meter title at the NCAA indoor meet, as well as the 100-meter title at the NCAA outdoor championship. Burchell's 60-meter title was the first indoor title for an Alabama woman in any event since 1989. The junior also broke a 28-year-old Alabama school record in the 100-meters in route to qualify for the national championships at the NCAA East Preliminary meet. The 4x100-meter squad finished sixth at the outdoor championship, anchored by Burchell.

Pate returned to Tuscaloosa after a season as an assistant at Samford, following a successful professional career.

As a student-athlete at Alabama from 1999-2002, Pate captured the NCAA indoor long jump title in 2002 and finished second in the triple jump. That same indoor season, he set the collegiate indoor long jump record with a mark of 28-2.25 at the USA Indoor Championships before winning a bronze medal at the World Championships. Pate was a seven-time All-American at Alabama and was ranked in the top five in the United States and the top 10 in the world in the long jump for eight consecutive years. He still owns the Alabama records in both the long jump and triple jump indoors and remains the Tide record holder in the outdoor long jump.

Pate finished third at the 2008 U.S. Olympic Trials to earn his first spot on the Olympic team at the Beijing Games. The West Feliciana, La., native ended the 2008 season ranked number

one in the U.S. by Track & Field News and followed that with a fourth-place finish at the USA Outdoor Championships before retiring from competition to begin his coaching career.

COACHES AND STAFF

COACHES/STAFF

DOUG REYNOLDS

Assistant Coach

Throws

SIXTH SEASON

One of the top throws coaches in the collegiate ranks, Doug Reynolds continues to develop throwers who are competitive at a conference and national level in his sixth season at Alabama. Reynolds guides the Tide's men's and women's athletes in the weight and hammer throws, shot put, discus and javelin. Reynolds' efforts have produced impressive results in his first five years at the Capstone.

Over the course of his career as a collegiate coach, Reynolds has coached four NCAA champions, a collegiate record holder, 38 All-America selections, 24 conference champions and 73 all-conference performers.

In 2016, Reynolds' throws squad made history at the SEC Championships, rewrote the Alabama all-time performance charts and turned in multiple national Top 20 marks.

At the SEC Outdoor Championships in Tuscaloosa, his men's discus squad finished 1-2-3-5 in the event, sweeping the medals for the first time in school history. Freshman Daniel Haugh's first place finish was the first for Alabama in the event since 1987. Haugh, Kord Ferguson, Joe Williams and Hayden Reed went on to qualify for the NCAA Championships. Ferguson also joined Kyle Felpel in the shot put while Elias Hakansson qualified for nationals in the hammer for the second time in his career. In all, eight Alabama throwers appeared in the men's national Top 20 rankings in either the shot put, discus, hammer throw or javelin.

Hakansson wrote his name into Alabama's all-time performance list in the hammer throw four times in 2016 with the sixth-, eighth-, ninth- and tenth-best throws in school history. McLean Lipschutz and Kevin Shannon posted the fifth- and seventh-best school marks in the javelin while Reed posted the ninth-best throw in the discus and Ferguson and Felpel moved into fifth and tenth, respectively, in the shot put.

On the women's side, Haley Teel qualified for the NCAA Championships in the shot put and now owns four of the top 10 school marks in the shot put and five of the top 10 in the discus. Danielle McConnell finished third in the hammer throw at the SEC Championships and enters the 2016-17 season holding two school top 10 marks in the event.

Reynolds' throwers began making their mark on the Tide record book in 2013. Freshman Elias Hakansson rewrote the top-10 lists in the indoor men's weight throw and the outdoor hammer throw, as he shattered the school records in both events multiple times over the course of the season. Hakansson earned SEC All-

Freshman honors indoors and outdoors, finishing third in the indoor weight throw at the SEC Indoor meet and third in the hammer at the SEC Outdoor Championships. The young Swede went on to place eighth in the hammer at the NCAA outdoor championships to earn All-America honors. Hakansson's multi-event exploits included setting school records in the weight throw (67-6 1/4) and the hammer (214-11) while completely rewriting the Tide's all-time top performances lists in both events – overshadowing the equally noteworthy efforts from teammate Charrodd Richardson, who became the Tide's No. 2 all-time performer in the hammer during 2013.

The Alabama throws squad built on its 2013 success in 2014, earning Reynolds South Region Assistant Coach of the Year honors from the US Track & Field and Cross Country Coaches Association (USTFCCCA). The men's hammer continued to produce results as the Tide developed more quality depth in the throwing events than at any time in the last 30 years. Hakansson continued to excel in the weight throw indoors and the hammer throw outdoors, but he was joined by Richardson, who surprisingly won the 2014 SEC Indoor title in the weight throw as both athletes earned All-America honors and Alabama finished 1-2 in the event at the SEC Indoor Championships. But the highlight of the year was the emergence of redshirt freshman Hayden Reed as one of America's top male discus thrower. After finishing second in the discus at the SEC meet, Reed won both the NCAA and USA Track & Field titles in June. Reed was also named a Second Team All-American at the conclusion of the 2015 outdoor season.

The Tide's women's throwers also have developed under Reynolds' tutelage. In 2012, two Crimson Tide throwers - Amethyst Holmes and Angelica Howard - placed second and third, respectively, in the weight throw at the SEC Indoor Championships. The 2012 SEC Outdoor Championships then saw three Tide athletes - Nia Barnes (fourth), Bekah Hoppis (sixth) and Brittany Hines (eighth) - score points in the javelin while Holmes (seventh) and Lee Stowers (eighth) scored for the Tide in the women's hammer throw. Barnes and Candicea Bernard developed into SEC contenders in both the weight throw and the hammer. Barnes and freshman Danielle McConnell both took home Honorable Mention All-America honors in the hammer throw in the 2015 outdoor season.

Reynolds joined the Tide as throws coach after spending six seasons in the same position at Kentucky, where his student-athletes set seven school records and

won nine SEC championships. In his first season at UK, he was named the Mideast Region Throws Coach of the Year.

In 2011, Reynolds coached Kentucky's Colin Boevers to his second SEC discus title, and fourth straight for the Wildcats, plus a fourth-place finish at the NCAA Championships. On the women's side, Mary Angell finished as the 2011 SEC runner-up in the discus and earned a berth in the USA Track & Field Championships. One of Reynolds' star pupils, Ashley Muffet, earned four All-America honors, two SEC championships, two SEC Commissioner's Cups and a 2009 SEC Outdoor Co-Field Athlete of the Year honor.

The 2008 season remains one of the most successful for Reynolds-coached throwers, as Rashaud Scott claimed the NCAA title in the discus and was one of two Wildcats to help Kentucky earn its best point total at the event in school history. In addition to his discus title, Scott added an NCAA eighth-place finish in shot put. Andy Fryman finished eighth in the hammer throw as the Wildcat men finished ninth at the NCAA Championships.

Prior to joining the staff at Kentucky, Reynolds worked in similar capacities at Arizona, Boise State and Kansas. Two of his athletes - Jarred Rome (Boise State) and Scott Russell (Kansas) - went on to compete in two Summer Olympic Games and multiple IAAF World Championships. Rome was a six-time All-American for Reynolds at Boise State and a two-time United States (USATF) outdoor champion in the discus, in addition to making the USA team for the 2004 and 2008 Olympics. Russell, who competed at Kansas from 1998-2002, earned All-America honors six times, claimed five Big 12 conference titles in three different events, was the 2002 NCAA champion in the javelin and competed for his native Canada at the 2008 and 2012 Olympics.

A 1998 graduate of the University of Arizona, Reynolds earned national recognition as a Pacific-10 champion in the discus, also earning a No. 1 NCAA ranking in the event. He was the 1996 NJCAA shot put and discus champion and competed in the 1997 and 1999 World University Games, where he won a bronze medal in the discus. Reynolds also was a finalist in the discus at the 1999 and 2003 Pan-American Games. During his career, Reynolds ranked as high as third in the U.S. and 10th in the world in the discus throw.

Reynolds was born in Honolulu, Hi., and raised in Phoenix, Ariz., where he was a standout athlete at Greenway High School. He and his wife Tracy have two children - a daughter, Sadie, and two sons, Owen and Brandt.

**ADAM
TRIBBLE**

Assistant Coach

Distances

SIXTH SEASON

Adam Tribble is in his sixth season on The University of Alabama track and field coaching staff, as an assistant coach overseeing the Crimson Tide's distance runners. A veteran coach and a former standout athlete, Tribble has developed a strong reputation as one of the nation's top coaches in his specialty.

In his three most recent season at Alabama, Tribble developed the young Tide distance corps into a competitive unit on the conference level. In 2013, the women's team posted the highest Alabama team finish at the NCAA South Region meet since 1987, placing third in the team standings behind All-Region performances by Katelyn Greenleaf and Meropi Panagiotou. Alabama went on to finish third in the 2014 and 2015 regional meets as well, producing three more All-Region performers in Greenleaf (2014-15) and Hannah Waggoner (2014).

With one of the nation's youngest teams in 2012, Tribble led the Tide women to a solid season highlighted by the development of freshman Katelyn Greenleaf into one of the top runners in the Southeastern Conference and the NCAA South Region. The 2012 Tide men were a predominantly freshmen squad, but the unit showed promise as the year progressed. In his first season at Alabama, Tribble coached the 2011 women's cross country squad to its highest finish at the NCAA Regional Championships since 1988.

Prior to Tuscaloosa, Tribble spent two seasons in the same role at Oregon State University following stints at Arkansas and his alma mater, Georgia, where he was coached by current Alabama head coach Dan Waters.

"I've always recognized Adam's deep passion for the sport," Waters said. "He's educated himself in the sport as well as anyone. He has a fantastic relationship with distance runners and knows how to relate to them. Adam also brings a great level of organization and energy to our staff."

During his five seasons at Arkansas, Tribble helped coach the Razorbacks women's team that won three-straight SEC cross country championships and posted a pair of runner-up finishes. The Arkansas women never finished outside of the top 20 at the NCAA

Championships under his watch and finished as high as fifth in 2006.

"When coach Waters talked to me about this position, it was obviously an incredible opportunity," Tribble said. "I think Alabama is a great situation. There is a commitment to track and cross country that is very exciting and a great thing to be a part of. The opportunity to be able to come back into the SEC is something I wanted to do, especially to a program like Alabama."

While at Georgia under Waters, Tribble was a two-year captain of the Bulldogs track and field team and earned All-Region honors in cross country. He finished 46th at the 2008 U.S. Olympic Trials in the marathon.

A 2002 graduate of the University of Georgia with a bachelor's degree in health and physical education, Tribble also received a master's degree from Georgia in movement studies. In May of 2012, he married Meredith Crane, a former cross country and distance coach at the University of Mississippi. Meredith is a volunteer assistant coach at Alabama, working with the distance runners. The couple have two children, a son, Ben, and a daughter, Georgia.

**BLAINE
WILEY**

Assistant Coach

Long Sprints

SECOND SEASON

Blaine Wiley, a ten-time junior college National Assistant Coach of the Year, is in his second season as an assistant coach on The University of Alabama track and field staff. Wiley coaches the long sprints (men's and women's 400 meters, 800 meters, 400-meter hurdles and relays) for the Crimson Tide.

Wiley came to Alabama following 10 seasons at South Plains College, one of the nation's best junior college track and field programs. He has a proven record of success on the track and in the classroom, having coached on a staff that led South Plains to 28 NJCAA national team championships while sending more than 70 athletes on to full scholarships at elite NCAA Division I programs. Wiley also has significant international and Olympic experience, having mentored six Olympians and eight IAAF World Championships participants, including two medalists.

Wiley has been part of an impressive era of success at South Plains. Following his arrival on the staff in the Fall of 2006, the Texans won 28 NJCAA team national championships, set seven NJCAA national records, produced 107 NJCAA individual and relay national champions and produced seven NJCAA men's and women's National Athletes of the Year (indoor and outdoor). South Plains sent six athletes to compete for their native countries at the 2012 London Olympics, produced one Olympic finalist (Renny Quow of Trinidad and Tobago in the men's 400 meters at the 2008 Beijing Olympics) and eight IAAF World Championships qualifiers - LaToy Williams (Bahamas, 2009-11-13, 400, 4x400), Renny Quow (Trinidad and Tobago, 2009-11-13, 400, 4x400), Rondell Bartholomew (Grenada, 2011, 400), Jura Levy (Jamaica, 2011, 100, 4x100), Janelle Redhead (Grenada, 2011, 200), Shavez Hart (Bahamas, 2013, 100, 4x100), Trevorvano Mackey (Bahamas, 2013, 100, 200, 4x100) and Lestrod Roland (Saint Kitts and Nevis, 2013, 200, 4x100).

During Wiley's time in Levelland, South Plains has produced two IAAF World Championships medalists - Renny Quow (Trinidad and Tobago, Bronze, 400, 2009) and Jura Levy (Jamaica, Silver, 4x100-meter relay, 2011) and two Texans athletes ranked in the top four in the world in the 400 meters in 2009 - Renny Quow (No. 2)

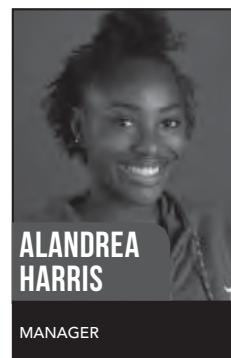

and LaToy Williams (No. 4). South Plains' 2010 men's outdoor 4x400 relay ranked No. 7 among all colleges and universities in the US, the 2011 men's indoor 4x400 relay ranked No. 3 in the world, the 2012 men's indoor 4x400 (fourth) and South Plains' outdoor 4x400 (12th) ranked among the best in the world. The Texans' 2013 men's 4x100 ranked No. 9 among all colleges/universities in the U.S., the 2014 men's indoor 4x400 ranked No. 15 in the world and the 2014 men's sprint medley relay ranked No. 1 among all U.S. colleges/universities.

As an assistant coach at Texas State from 2002-06, Wiley coached 16 Southland Conference individual and relay champions for the Bobcats, including 112 All-Southland Conference athletes, 28 NCAA Midwest Regional qualifiers, two NCAA national qualifiers, one USATF national semifinalist and two USATF Junior Nationals qualifiers. Wiley coached Texas State athletes to 63 school all-time top 10 performances, eight Texas State school records and two Southland Conference records. Texas State produced seven Southland Conference championship teams over a span of four seasons, including a sweep of the 2004 men's and women's indoor and outdoor titles. Wiley helped lead the Bobcats to a Southland Conference outdoor record points total for the women's team in 2004 (195), coached the Southland Conference Athlete of the Year and Outstanding Track Performer in 2003 and 2004 (indoor and outdoor) and the Southland Conference High Point Athlete in 2003, 2004 and 2006.

Before joining the staff at Texas State, Wiley was a sprinter on the Bobcats' track team from 1997-2000, accomplishing career bests of 10.29 (wind-aided) in the outdoor 100 meters and 6.20 in the indoor 55-meter dash (a time that ranked in the world's top 20 in 2000). As a student-athlete, Wiley was a member of the 1998 and 2000 outdoor conference championship teams. A two-time team captain for the Bobcats, Wiley was also a member of the school-record sprint medley relay team.

Wiley, a native of Round Rock, Texas, graduated from Texas State in May 2000 with a degree in Business Administration and completed a Master's degree in Secondary Education in May 2008. Wiley and his wife, Julie, have two sons, Hayden Blaine Alan, and Landon James. Julie was a track and field letter winner at Texas State from 1996-2000.

REED NAMED 2013-14 USTFCCCA OUTDOOR NATIONAL SCHOLAR ATHLETE OF YEAR

Sophomore Hayden Reed was named the 2013-14 men's outdoor field events NCAA Division I Scholar Athlete of the Year by the U.S. Track & Field and Cross Country Coaches Association (USTFCCCA).

The Orange, Texas, native is the first man from Alabama to have earned the award since its inception in 2007. A biology major with a 3.52 cumulative GPA, Reed claimed the outdoor field award after winning the discus title at the NCAA Outdoor Championships. He also won the USA Track and Field Championships discus title last month.

The honor tabbed Reed as the top outdoor field events student-athlete among the 496 men who earned USTFCCCA All-Academic honors in 2013-14. Scholar Athlete of the Year Awards are determined from among those who earned All-Academic status and placed highest in individual events at the NCAA Championships. Those who earn multiple individual championship titles rank higher in the tie-breaking process, and cumulative GPA is weighed as the final tiebreaker to es-

2014 TIDE MEN WERE USTFCCCA INDOOR NATIONAL SCHOLAR TEAM OF YEAR

The University of Alabama men's track & field squad was named the 2014 Indoor Scholar Team of the Year by the U.S. Track & Field and Cross Country Coaches Association (USTFCCCA).

"This is an amazing honor, one that speaks highly of the hard work our team puts in on the track and in the classroom," UA head coach Dan Waters said. "We are dedicated to putting forth a championship effort in everything we do and this latest honor is a testament to how far we've progressed in a short period of time. I am very proud of our team for fulfilling the athletic department's mission of competing at the highest level athletically and academically."

As the highest-placing team with at least a 3.00 cumulative team grade point average at this season's indoor NCAA Division I Championships, Alabama stood out among 116 men's programs that combined academic and athletic achievement to earn All-Academic Team honors this season.

The Crimson Tide was the highest-finishing men's team at the NCAA Indoor Championships to earn All-Academic Team honors, finishing sixth place overall with a 3.14 cumulative team GPA. This marks the first time the Crimson Tide men have earned Scholar Team of the Year honors. The Tide men also finished 15th at the NCAA Outdoor Championships.

The Tide women also had an outstanding year both on the track and in the classroom, ranking 13th nationally by cumulative grade point average with a 3.52 and finishing 19th at the NCAA Indoor Championships and 18th at the NCAA Outdoor Championships. This season marked the first time in school history that both the Alabama men and women finished in the top-20 at both the indoor and outdoor NCAA Championships and posted cumulative team GPAs better than 3.0.

establish a winner.

Reed's honor highlighted outstanding academic and athletic performances by the Crimson Tide during the 2014 track and field season. He joined teammates Joe Williams (4.00 in civil engineering), Kamal Fuller (3.39 in civil engineering) and Matt

RECORDS & HISTORY

ALABAMA'S GOLD MEDALISTS

On August 6, 2012, former University of Alabama track standout Kirani James won the 400 meters in dominant fashion with a personal-best time of 43.94 at the 2012 Summer Olympic Games at the London Olympic Stadium.

James, aged 19 at the time and representing his home nation of Grenada, became the small Caribbean island's first Olympic medalist as well as the first non-American to break the 44-second barrier in the history of the event.

James' gold medal was the fifth gold earned by a former UA track athlete as he joined Calvin Smith and Lillie Leatherwood (USA) and double gold winner Pauline Davis (Bahamas) in the annals of UA track history.

Jan Johnson earned the first Olympic medal in UA history, a bronze medal in the pole vault in the 1972 Summer Olympic Games in Munich, clearing 17-6 1/2 inches (5.35 meters) to finish third.

Smith won a gold medal as part of the 4x100-meter relay team in 1984 and an individual bronze medal in the 100 meters in 1988. Smith's gold medal came as part of a relay unit that set a world record of 37.83 in the 4x100 relay as he ran the third leg of the relay.

Davis originally finished in second place in the 200 behind Marion Jones of the United States but was awarded the gold medal in 2009 after Jones was stripped of the title.
